TO: Middle Park Glass Customers
FR: L&L Glass

RE: MIDDLE PARK GLASS IS NOW L&L GLASS

On October 1, 2024, Middle Park Glass will be acquired by L&L Glass of Arvada and Denver. We want to let you know communication and billing will come from L&L Glass moving forward. Seeing information from L&L Glass when you are expecting something from Middle Park Glass might seem like a scam. We want to assure you this is correct. Email correspondence will come from employees with the email address ending “@denvershowerdoor.com”. The phone number remains the same as does our location – 146 E Jasper Ave, Granby.

L&L Glass offers all the same products and services as Middle Park Glass. We will continue to support the same glass needs you rely on from Middle Park Glass today. In addition, L&L Glass offers other interior glass services like grid showers, wine/study all glass enclosures and stair railing glass to name a few. We still operate out of the same location and all the employees are still on board.

Ken will start enjoying his well deserved retirement. What that looks remains to be seen, but he will still call Granby home. Pete Dinion has been with L&L Glass for 11 years and will be moving into Ken’s position as the General Manager of L&L Glass, Granby.

L&L Glass has served the Denver metro area since 1956. We are excited to call Grand County home now. We look forward to getting to know everyone Ken and Middle Park Glass has called customers and friends for the past 40 years.

If you have any questions or future glass needs, feel free to call or stop by the shop.

Regards,

Peter French
Owner, L&L Glass

Ken Hilton
Owner, Middle Park Glass

Pete Dinion
GM, L&L Glass - Granby
